

### What will Camp be like?

Camp will aim to be a relaxing, informal and refreshing time for all. There will be the option to attend morning prayer times and each day will include a time to gather together for worship and teaching.

There will be organised activities on the Wednesday, and the option of joining in different activities in the evenings. The rest of the time will be yours to do as you please. Relax at the camp site or explore the local area. On Thursday there is no morning meeting enabling you to plan a longer day trip out if you wish.

The camp site has a marquee for meetings or activities and a building which houses a kitchen and eating/games areas. There is a toilet and wash-block, including showers.

There is a river that runs along the edge of the camp site which can be paddled in, woods to walk in and there will be sports equipment to use, games, table tennis and giant connect four available all day.

If the weather is wet, we hope to have a projector and the option to watch movies. The marquee can also be used for sports and games in wet weather.

### What is there to do in my free time?

The local area has lots to offer whatever the weather! Beaches, caves, quaint towns, water sports, steam railways, hiking, swimming pools and lots more.

Llys Andreas is two minutes off the main road between Barmouth & Harlech and just 10 mins from Tal-y-bont railway station. Barmouth has a leisure centre, as well as a beach, a fair and plenty of shops. There is also a very pleasant beach much closer to Llys Andreas.

# Church Camp

Monday 10<sup>th</sup> to Friday 14<sup>th</sup> August

### Where will it be?

Llys Andreas campsite,  
Ffordd Tyddyn-y-felin,  
Talybont  
LL43 2AU.

### How much will it be?

If you book and pay in full before 7th March you will automatically receive our early bird discount, meaning that the prices are:

Adult £45

Child £30

Staying off site £20

If you book after 7th March, the above prices increase by £5 per person.

We have kept the cost as low as possible but if this is a barrier to you, then please do come and talk to us as we don't want anyone to be prevented from attending due to the cost.

### Who is it for?

We understand camping is not for everyone and have done our best to make the week as accessible as camping in a Welsh field can be. The site has disabled toilets and accessible showers. We are offering those who wish to organise their own off site accommodation the opportunity to join in the daily programme for a minimal fee. We are also looking at options for transport if you are unable to drive yourself.

### More questions?

Please do come and speak to James H, Susie, Chloe or MJ to ask for more information.

### What will I stay in?

You may choose one of several options:

1. There are on site, ready to use large canvas tents. These have ground sheets, camp beds and electric lighting. They can comfortably sleep 6 people. Some are bigger than others.
2. You may choose to bring your own tent to pitch when you arrive. Depending on how many choose this option, it may be necessary to take down a canvas tent to make space. If so, we would ask that you assist with this and also the re-erecting of it at the end of the week.
3. There are spaces for a few caravans/trailer tents if you would like to bring one.
4. Alternatively there are many camp sites and B&Bs locally if you wish to arrange your own more luxurious accommodation! Please indicate on your booking form if you would like linking with others who may like to share.

### What about meals?

Breakfast and evening meals will be prepared and eaten together. There will be time for people to prepare their own packed lunches with the food provided. These can be stored in the fridge.

Everyone attending will be assigned to a team to help prepare and clear up meals on one of the days.

### What will we do?

We have a rough plan for the week as follows:

#### Monday

- Arrive from 1pm to unpack and set up.
- Welcome meeting at 3:30pm
- Evening meal at 5:30pm.
- Evening walk/ride down to the beach. Weather permitting

#### Tuesday and Wednesday

- Prayer at 7:45am
- Breakfast at 8:15am
- Morning meeting at 9.30am
- Evening meal at 5:30pm

#### Thursday

To allow the option of leaving earlier for a trip out, the meeting will be in the evening around the camp fire following a BBQ tea at 6pm.

#### Friday

- Prayer at 7:45am
- Breakfast at 8:15am
- Morning meeting at 9.30am
- Pack up to leave

There is the option to stay until Saturday for anyone willing to help with the big clearing up of the campsite ready to leave it tidy for those arriving the following week. It would be a "sort your own" Friday tea - there are local takeaways, restaurants and fish and chip shops nearby.
